Dear Rick,

Thank you for your expertise in navigating the U.S. Small Business Administration (SBA) 8(a) application process. Today 8-koi received it's official certification letter to participate in the 8(a) Development Program.

You made a cumbersome process simple with the organized manner in which you collected data. My documents were sent to Cloveer and in a week my application was submitted to the SBA. When an issue arose you quickly responded with a clear and persuasive solution.

Most importantly you advocated for 8-koi which was imperative to our successful outcome.

Sincerely,

A handwritten signature in blue ink that reads 'Inga I. Young'.
